The Summer Youth Television Program 2017 is open to young people between the ages of 13 to 18. Participants will be instructed in the use of professional television production equipment (both studio and portable) and will produce a short video project which will air on LCTV and on www.lctv.net. No previous experience is necessary.

Two sessions are being offered for 2017: July 10th–27th or August 7th–24th, and will meet from 9:00 AM until 12 noon on each of these weekdays except Friday. Classes meet at LCTV's studio at the Kenan Center Arena Annex, 433 Locust St, Lockport, NY, and make use of this facility as well as the beautifully-landscaped 25-acre Kenan Center campus.

A field trip to video/TV production facilities in Buffalo may be taken on one class day (on this day, class will dismiss later than usual). Depending on the subject chosen for the students' video, short field trips in Lockport may be taken to such areas as the Erie Canal or Outwater Park (for example). An informal Parents Reception/Video Screening/Graduation will be held in the evening a week after the program ends. Parents, family and friends are welcomed to view the students' work. The reception will be held at Lockport Town Hall, 6560 Dysinger Rd., Lockport, at a date to be announced.
