

OUR MISSION:

LCCC and LCTV, as a partnership representing the City and Town of Lockport, believe strongly in building community through local media. Competent, dedicated staff and volunteers provide access to programming, training, community information, education and government through cable and the internet to improve the quality of life in the Niagara Region.

OUR VISION

LCCC and LCTV are invaluable resources for the City and Town of Lockport as well as the Niagara Region. Our services and programs enhance the business and tourism climate of the area, bringing together our residents through information, volunteerism and the facilitation of communications from education, government and the community. The Region's excellent quality of life is stimulated in part through LCCC/LCTV's strong partnerships, staff and volunteers.

OUR PRIORITIES:

Our priorities, through the development of strong partnerships, staff and volunteers, are to focus on:

- 1) the continuing economic development of our community
- 2) lifelong education of our residents
- 3) improved quality of life in Lockport
- 4) public awareness and understanding of local government
- 5) provision of community information
